## CERTIFIED ADMINISTRATIVE MANAGER

A Certification Program  
For The  
Management Generalist

To you in management, there are three letters — C.A.M. — that can make all the difference in your world. For C.A.M. identifies you as a *Certified Administrative Manager*.

This certification is recognition of the fact that your character, ability, experience, leadership, and knowledge of the fundamentals of administrative management have been examined and tested by the Academy of Certified Administrative Managers, and approved.

You can then add with pride the letters C.A.M. to your signature, or after your name on letterheads, business cards, or office door, confident that your professional achievement will at last be recognized.

How do you go about accreditation as a C.A.M.? Take the first step today. Write to:
